Diversity Awareness: No Place for Hate

Celebrating, promoting and appreciating diversity in our society is the theme of "Diversity Awareness Month" held annually in October. Its purpose is to foster and further our understanding of the inherent value of all races, genders, nationalities, age groups, religions, sexual orientations, classes and physical disabilities. The "No Place for Hate" program was started in 1999 by the Anti-Defamation League in Boston. There are over fifty communities in Massachusetts that have either been certified or are in the process of becoming certified as a "No Place for Hate" community. Plymouth is one of many South Shore communities involved in this program.
