

# Spring 2019 Teen/Tween Events

## **The 1st Wednesday of the month @ 7pm: Teen Advisory Group**

The Teen Advisory Group (TAG) is for teens who want to earn some volunteer hours and share their voice with the library! TAG provides vital assistance with library events, including the books sales in summer and winter, the Story Book Breakfast, children's programs and so much more. Teens and tweens might help out by wearing character costumes, setting up events, helping book sale customers, and assisting with children's craft programs. Teens will also have the opportunity to suggest and plan programs they'd like the library to offer. In the past, this has included art classes, Harry Potter Day, and our annual Cupid's Confections baking challenge! **For ages 9 to 18. No registration is required. We will be meeting on March 6, April 3rd, and May 1st.**

## **Saturday, March 30th @ 2pm: Soapmaking Workshop**

Have you ever wanted to make your own soap? Garine from Kulina Alchemy will be running a special "Rubber Duckie Soap" workshop for kids **ages 5 and up!** Each participant will make their own soapy creation using glycerin based soap and adding colors, glitter and scents. The process does not involve traditional soap making techniques, so there is no lye exposure. Once the concoction has cooled slightly, we will add cosmetic grade glitter, colors, essential oil (optional), embed the rubber duckies and decorate the tops with white soap curls, creating waves. At the end of the workshop, each participant will take their handmade soap home. **Registration is required.**

## **Saturday, April 6th @ 2pm: Teen Sewing Workshop**

Have you ever wanted to stitch up a tear or fix a button on your clothes, but didn't know how to get started? Join local artist Mandy Roberge for an informative and fun Teen Sewing Workshop! Mandy will walk participants through different techniques and tools to make their own sewing projects. **For ages 11 and up. Registration is required.**

## **Wednesday, April 10th @ 7pm: Young Changemakers Current Events Discussion Group**

Join us for a special program for teens and tweens who want to change the world! We will be hosting a discussion group for those **ages 9-18** to discuss current events right here in Plymouth. We'll read news articles, share our thoughts, and talk about ways teens can make a difference in their local community. **No registration required.**

## **Wednesday, May 29th @ 6:30pm: Teen Music Master Class**

Calling all teen music lovers! Join us for a very special event with accomplished pianist Sergei Novikov, who will play and discuss popular music, talk about his experience being in the music business for over thirty years, explain how pop music is made, and answer questions from aspiring teen musicians!  
**For ages 12-18. No registration required.**
