## Teen/Tween Events

---

### **The 1st Wednesday of the month @ 7pm: Teen Advisory Group**

The Teen Advisory Group (TAG) is for teens who want to earn some volunteer hours and share their voice with the library! TAG provides vital assistance with library events, including the books sales in summer and winter, the Story Book Breakfast, children's programs and so much more. Teens and tweens might help out by wearing character costumes, setting up events, helping book sale customers, and assisting with children's craft programs. Teens will also have the opportunity to suggest and plan programs they'd like the library to offer. In the past, this has included art classes, Harry Potter Day, and our annual Cupid's Confections baking challenge! **For ages 9 to 18. No registration is required. We will be meeting on May 1st and June 5th.**

### **May 7-10 from 3 to 5pm: Study Break at the Library**

Are exams and final papers stressing you out? Take a break at the library with music, snacks, board games, and crafts. Bring your friends and take your mind off of studying for a couple of hours! **Ages 12 - 18. No registration required.**

### **Wednesday, May 29th @ 6:30pm: Teen Music Master Class**

Calling all teen music lovers! Join us for a very special event with accomplished pianist Sergei Novikov, who will play and discuss popular music, talk about his experience being in the music business for over thirty years, explain how pop music is made, and answer questions from aspiring teen musicians! **For ages 12-18. No registration required.**

### **Saturday, June 1st @ 2pm: American History Trivia**

Can you name all the U.S. presidents? Do you know when Hawaii became a state? Test your skills against other history buffs and win prizes at the final event of the Jen Kane American Reading Adventure series! **Ages 6 and up. Registration is required.**

### **Saturday, June 29th @ 1pm and 2:30pm: Outer Space Escape Room**

Come to the library for an exciting and challenging Escape Room experience! Participants will work together to solve and overcome a series of challenges and obstacles within a certain period of time. First session is for ages 10-13 and second session is for ages 14-18. **Registration is required.**
